Re: Notice of Oral *Ex Parte* Communication
GN Docket No. 09-191, WC Docket No. 07-52

Dear Ms. Dortch:

On November 24, 2010, I met with Chairman Julius Genachowski and Chief of Staff Edward Lazarus. This notice is submitted in compliance with Section 1.1206(b) of the Commission's Rules.

I discussed the possibility of the Commission adopting open Internet rules based upon the legislative framework proposed recently by Representative Waxman. I stated that while Public Knowledge believes that the framework is a good starting point for rules, the Commission must augment the framework in several ways. To that end, I urged that the Commission 1) adopt the definition of broadband Internet access service proposed in the Commission's Notice of Proposed Rulemaking in the above dockets; 2) provide greater protection over wireless networks for content, application and service providers; and 3) make clear that paid prioritization is presumptively unreasonable.

Sincerely,

Gigi B. Sohn
President
